Straight butler cow I bought from Stockton. She is small bodied but produces big colorful calves. She breeds back fast and her calves are always sound. Will move to Kong's pasture in the spring. Measured 68.25 TTT on 7-13-14. Now over 70TTT. Just had an outstanding 11-15 PBC heifer. Will let her go in 2016. Pulled from Red McCombs sale since she vetted open. Winnie's pasture.
