

PPF Kay's Kong

Date of Birth: 11/21/2007

Kong will get to host Chigger Hill for one to two breeding seasons. Kong now has impressive measurements for a 10 year old with 72 TTT and a 17 base. He will be used on our Poco Bueno Chex heifers, which we feel will compliment PBC's genetic structure. Both of our bulls trace back to third and fourth generation Gunman bloodlines, which we feel provides the best base foundation in the breed. Tight muscular bull with easy
