Cars wreck when viewing this cow. She has an amazing set of base on those horns and her conformation is perfect. We are breeding her to Winnie to continue that large frame and horn set. Just a stunning cow in the pasture.

**Total Horn:** 89.0000 on 10/29/2014  
**TTT:** 67.0000 on 12/14/2017  
**Base:** 17.0000 on 10/29/2014
