Date of Birth: 07/12/2014 Registration 1: Pending

Are you kidding me another black calf from Kong.. That is 5 solid black heifers and one black n white in a row in 2014. Definitely going to church this Sunday. This girl has all my breeding. Kong on PBC cow, back to Phenomenal Love. She should be spectacular. She delivered a black heifer in winter of 2017-8. This is an old picture which i will update soon.
